EBONY

(All three colours displayed in Ash grain pattern)

Introducing 3 new colour additions to our ezy HD² wood effect colour range.

ezy HD² wood effect achieves maximum definition and maximum durability using an advanced powder on powder coating system applied to architectural aluminium.

ezy HD² was designed to meet the needs of surfaces that are particularly exposed to UV rays and extreme weather conditions.

DFV Australia is the exclusive supplier of ezy HD² wood effect coating in Australia.

The logo for DFV Australia features the letters "DFV" in a large, bold, red, sans-serif font, with the word "AUSTRALIA" in a smaller, black, uppercase, sans-serif font directly below it.

All 12 ezy HD² wood effect colours are available in 3 grain patterns; Oak, Ash and Cedar.

BEAUTY OF WOOD STRENGTH OF ALUMINIUM

ezy HD² wood effect coating was created from technology developed and patented in Italy for the decoration and protection of architectural aluminium with a natural wood grain finish.

ezy HD² is unique to the Australian market and produces a finish with a realistic look and feel as well as a superior, highly durable performance.
